Children's Hugs created back in February (The Four Friends) are ready to send to folks in our congregation. Prepped with extra care and held for a bit, these are sure to brighten someone's day. We will be working on two virtual options as well for local assisted living facilities. Keep an eye for other service ideas under the tag [In His Steps.](#)

A Different Kind of Easter

This Easter looked different for all of us, and you may have incorporated a twist or two on old family traditions. I hope you all were able to create new memories to cherish and have a special together time this past weekend.

However, sometimes we aim for the perfect holiday and feel we miss what we are seeking. Sarah Anderson via Parent Cue offers some thoughts regarding expectations in [the Perfect Easter Egg that seem especially appropriate in light of the recent crisis.](#)

We will continue to share Parent Support posts via FB, but you may also choose to download the Parent Cue [App directly.](#) If you missed them, there are some Easter connections and stories shared by our [Pastors.](#) Younger children want to cuddle up and enjoy a moment to connect through story time.

Our Middles School students explored the topic of Undefeated. Want to extend that Resurrection idea? Host a family cook -off. Create teams with younger children, or allow older kids to work on their own. Then make a dish to serve one night this week. At the end of the week, have your family vote to decide the best dish and name that person the undefeated champion of the Easter cook-off... until next year, anyway!

Missed a Frog Eyes Bible Verse?

If you missed a week, please make sure to reach out via email or text. It's not too late to participate. Frog Eyes bags are packed and ready for you when we return to Sunday School. If you are dropping off items for the food pantry, please let us know so we can leave out your bag to pick up. Donations and Pickups are on the side porch of yellow Church Office. *Final Certificates of Completion and Tix will be given in May/June.*

I hope you are all doing well and staying healthy during this uncertain time. With everything happening, *I have been asked many times about VBS 2020...will it happen, or will we need to cancel???* With VBS week being 4 months away, we're going with the "glass half full" philosophy and planning as though it is happening as scheduled July 27th – 31st! Just the idea of everyone being together makes me smile! If you or your child volunteered last year, you can expect an email from me this week outlining how we will plan for this. If your child plans to participate this year, I promise that as soon as we have a definitive answer either way, I will let everyone know!
Stay safe and may God bless,
~Rachel

A Huge thank you to Jocelyn Elliott for making *Creative Activities To Go* for your families. Jocelyn took great care to disinfect and protect the goodies as she went along. Available for pick up at church office side door, inside Blue Bin.
