

Trinity Church Loves Children & Students

Trinity Church offers opportunities for children, students, and their families to further develop their relationships with Jesus and with friends (both old and new). In addition, Trinity Church offers an abundance of unconditional love! We welcome you—just as you are!

Children and student ministries are not just on Sundays! They continue throughout the week. Come join us for church school, student fellowship, mission projects, Bible studies, retreats, and special family events! Trinity Church is blessed to have over 100 volunteers serving within our ever-expanding children and student ministries. The door is open and you are invited!

seeds of faith are
planted and nurtured.**
