NOTES

LENTEN DEVOTIONAL 2021

Lent is traditionally a time of focus on spiritual disciplines that draw us closer to God. This booklet is designed to help us set aside a brief time each day to reflect on God's word. Each weekday we will concentrate on one of the 22 stanzas of Psalm 119, the longest chapter in the Bible. As you read, take notice of what stands out to you in that passage, then take a moment to jot down what God impressed upon your heart. We hope that God's word would truly be "a lamp for your feet, and a light on your path" as we journey together through this season of preparation for Easter.
